[Precautions for use] ●Do not bend the mirror. Bending make flexure on mirror surface. ●Do not rub the mirror surface with hard materials such as wire wool or sand paper which damage the surface. ●Use the mirror only for reflecting images. Do not use for other purposes. ●Wipe off the stain on the mirror with soft cloth.

*Do not give impact to the mirrors by dropping off, etc. Impacted mirrors may break and hurt the user. *The metal parts of the mirrors are deteriorated when stored at high temperature and humidity for a long time. *Chemicals sticking on the mirrors must be wiped off with dry cloth.

*Each of the "JAN codes" given in six digits in this catalogue constitutes the product code and check digit, and follows the code, 4510510 indicating the country and manufacturer codes.
