

 HORIUCHI MIRROR®

2 Way Folding Mirror

HORIUCHI MIRROR is only the mirror that accurately reflect the natural color of your skin. The natural color of your skin is reflected directly and genuinely in the mirror by collect reproduction of colors. Correctly reflected color of your skin helps you match the make up colors with your face. Daily use of the Mirror opens the way to gain more beautiful skin.

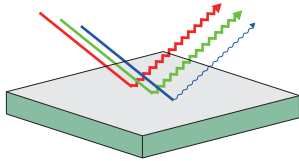

2 Way Folding Mirror

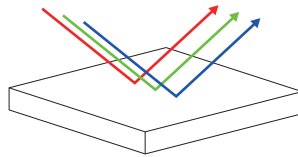

The 2-way folding mirror is a foldable mirror that allows you to change the height of the mirror for make up.

HORIUCHI MIRROR

Capture the correct color of your skin with a specially designed mirror unaffected by the under glasses' color.

Silver Glass Mirror
The blue light in the incident light is absorbed and many of the reflected colors look dull.

HORIUCHI MIRROR
The mirror of ultra-clear plate glass reflects natural and pure colors with minimum change.

Slim and compact

Can be folded and stored compactly without taking up much space.

Free angle

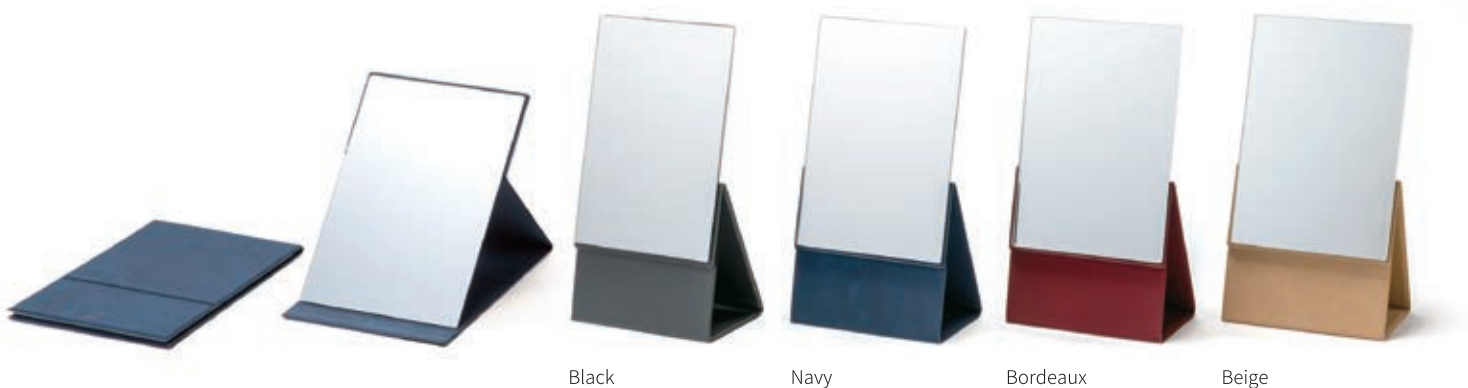

In the normal position, you can freely adjust the angle of the mirror with the lock line.

High position

In the high position, you can use the mirror at a position about 10 cm higher than the normal position.

Colours

It is es a calm textured fabric. Four color variations to choose from.

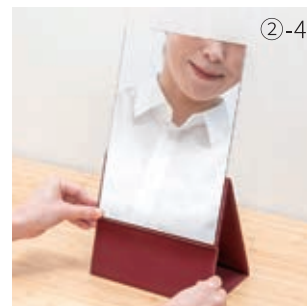

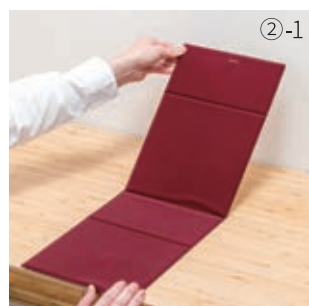

How to use it in the normal position
